Dear Mr. Forsberg,

Thanks you for your letter and for
the comments on "When Dreams Come True".

We've been in Fla for a few weeks & thus
your letter was not answered.

I can not tell if we are related. I have a
Family tree that goes back to 1376. However
the 1st few generations were ^{from John} Brown of England
~~at~~ Henry & Elizabeth Curtis immigrated
~~from~~ from Stratford on Avon, England
and settled first at Whitefield, Conn in 1643
the Curtis & Sano Seal

Born Feb. 17, 1741, Stockbridge, Mass.

On down - my grandpa Elbridge Curtis was
^{27 May 1811} ~~born~~ [→] Brown Co. N.Y. - Nov. 2, 1816 - came to
Wis. 1859. He had 8 children. My father "Edgar"
was the youngest of the 8.

I do not know anyway to trace it but I
do know that through our Lord & Saviour
Jesus Christ we are of one family and are
brothers & sisters through Christ.

It would be delightful to hear from you
